Date of Info: 6 Feb 54

Source:

1. The management reports that the district has now become a food prohibited area. Curfews were imposed and a company of soldiers has been encamped on the estate for two to three months. Four tappers were arrested at the [ ] Division. Stringent food measures are in force to such an extent that it is now impossible to buy any tinned food without the tin being opened first.
2. The crop harvested for the month of January 1954 amounted to 60,000 lbs and when compared with the return for the previous months shows an increase of 1,000 lbs. The management reports that heavy rains and floods were experienced during the period under review.
